Waiting in the Octaves of Light and Beauty, there are a great number of selected spirits who have spent anywhere from five to one hundred years in the Schoolrooms of the Masters of Wisdom, learning the Law of their own Godhood, and the way and means by which the Flame within their hearts might be utilized to hold a connection with their own Presence, with their Cosmic Teachers, with the Vision which has become their own through study (along with their brothers and sisters who are to incarnate with them in order to hasten the coming of the New Day).

These beings are to embody within the next five to seven years, and they must be born under the old dispensation unless the Lords of Karma can be led to believe that it would be to the advantage of the race for a number of these people to receive a Grant which would allow them to bring back the memory of past lives, not only when they were in physical embodiment, but particularly during their sojourn at inner levels.

These souls have, for the most part, volunteered both to study at inner levels in the Temples of the Masters and to devote and dedicate their lives, upon taking embodiment, to try and awaken the masses. This is their responsibility and their true service, and We, who have been their Sponsors, their Guides and their Teachers, particularly regret to see these souls born in the bonds of forgetfulness and their mighty spirits hampered by new physical brains which, for the most part,

will not be of development sufficient to draw forth the fullest vibrations held in their Holy Christ Selves.

We have, through Kuthumi's intervention, advanced their Cause before the Lords of Karma, and We were referred, by these Karmic Lords, to the people of Earth, with the recommendation that if We could secure the cooperation and intervention of some members of the race in this Cause, and would bring the petition before the Lords of Karma again, showing that We had secured sufficient application, that this Grant might be given to Us on behalf of these spirits. I am hoping that there will be enough chelas interested in this Cause to give Us the desired application.

The spirit for whom this service is rendered would be obliged to appear personally before the Lords of Karma, because when the band of forgetfulness is removed, the individual would remember both good and evil, and unless his karma was properly expiated, the weight of remembrance would be too much for the emotional body to stand when added to the experiences of the current life. When an individual incarnates, he is allotted so much karma for that embodiment. When the statement was made: "the Lord fits the back for the burden", this is what was inferred, and therefore it is not expedient to remove this blanket Law until the forgiveness of sin has wiped out the memories of mankind's PERSONAL HATES AND PREJUDICES. However, where souls have very little destructive karma, or else such a tremendous generosity of nature that it does not harbor past error, I feel that the Lords of Karma would, in these circumstances, be willing to make the grant, not only for the discarnate spirits mentioned

above, but for those already incarnate, and may I say here that when one has lost the capacity to retain an ill-feeling in his life, he is ready to enter this dispensation, if granted. BUT, if the lifestream, in this embodiment, can yet hold ill-will to another, it is proof positive that if the past were known in its fullness, that ill-will would be of greater intensity.

If I could show you those shining and beautiful beings that are awaiting embodiment, I am sure that I would have no difficulty in securing both your interest and your cooperation as well as your sincere assistance on Our behalf in this petition.

Blessings and Love,

MAHA CHOHAN

As the bee and the humming-bird are drawn to the sweet nectar within the flower, so are We drawn into the world of form through the love in the hearts of those who choose to invite Us into their presence.

I shall never cease to bow My head in gratitude before the invitation of a son of man incarnate who desires to invest some of his time and energy in communion with any Member of Our Hierarchy, for it is in the opportunity thus afforded Us that We are enabled to infiltrate the Word of God and His Truth into the consciousness of mankind.

Today I come in the Name of the Holy Spirit, and I come to give you, perhaps, a feeling of His Nature. I am the Representative of the Holy Spirit to the Earth. I would like to explain that to you so that, on occasion, if you choose, you may in turn illumine the consciousness of those you contact in regard to this particular Office, for if the people become acquainted with It, perhaps in time they, too, will apply for understanding, and I may be privileged, in that repetition, to assist another member of the race to develop into God maturity.

The Holy Spirit is the FEELING WORLD of God Himself. It contains within Itself, every feeling of Virtue and Beauty and Harmony and Perfection that the human mind can conceive, as well as many qualities that, unfortunately, you are not even
